13 STATES • ONE LEGENDARY ROAD • [ROUTE1VIEWS.COM](http://ROUTE1VIEWS.COM)

# One road. Thirteen states. A whole lot of crayons.

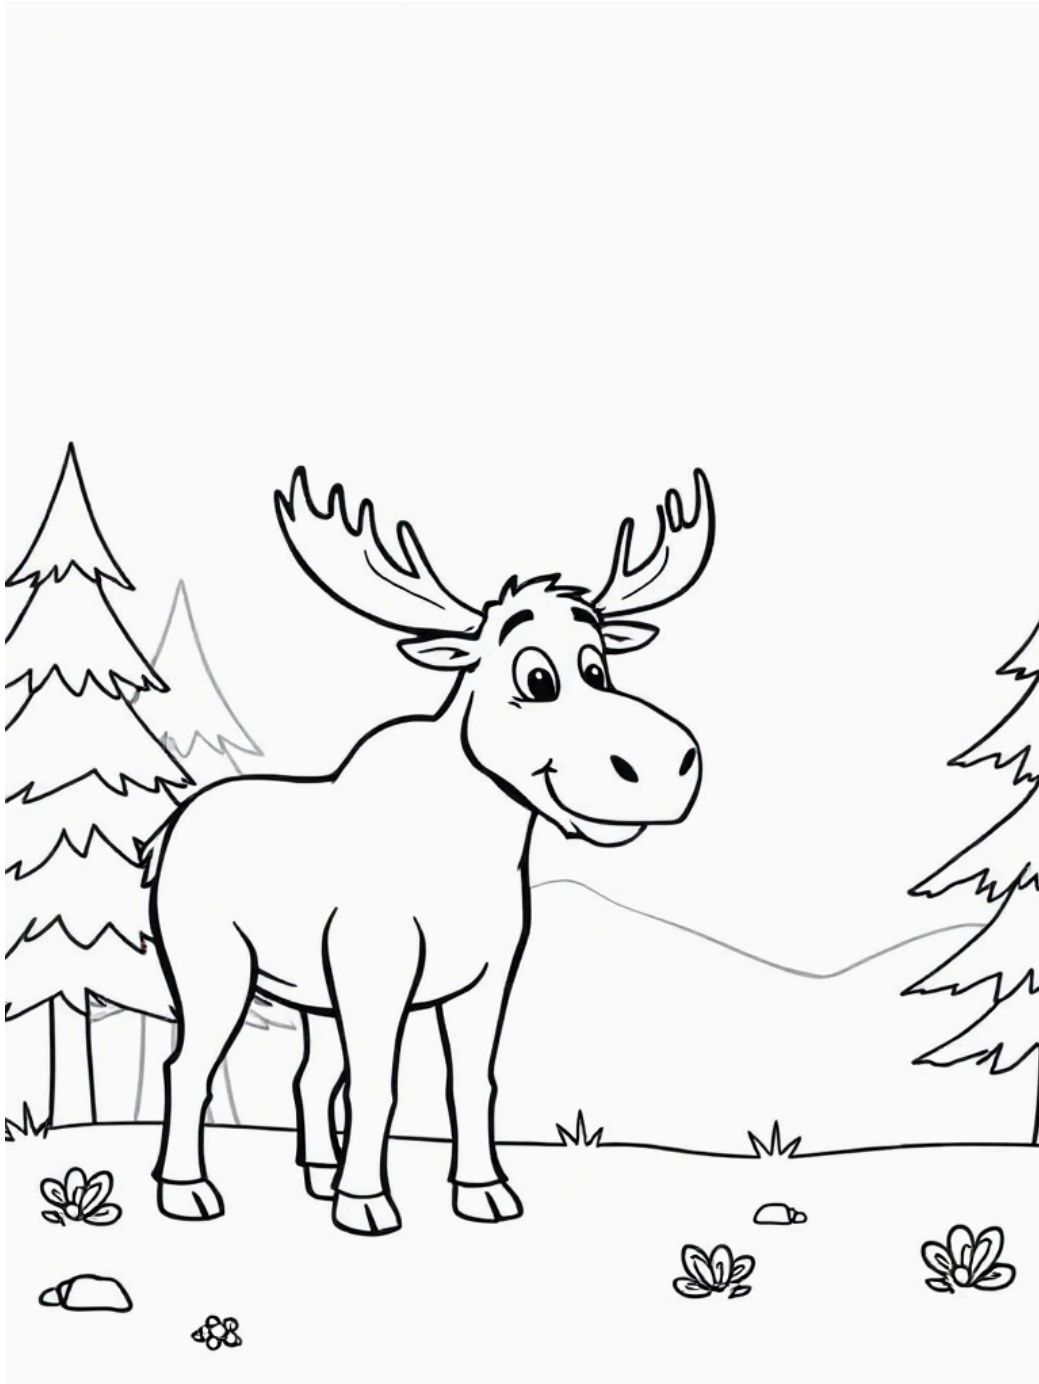

Route 1 runs all the way down the East Coast — from the pine woods of Maine to the sunshine of Florida. This book follows it state by state, with each state's animal and its bird waiting for your crayons.

**How to use it:** print as many pages as you like on plain paper, grab a box of crayons, and color your way south. Perfect for the back seat, the kitchen table, or a rainy afternoon.

**Crayons, not screens.**
